

## Holiday courses for children and the youth in Germany

- improve German during the holidays !
- be exposed to and explore the authentic culture !!
- speak to Germans and meet other German learners !!!

A lot of language schools in Germany have specialized in courses for children and youths. There is an especially high interest for holidays courses in summer (June to August).

The German language B department and colleague counselling @ MBIS would like to assist you to select an appropriate course for your child. Therefore we have listed institutes which have received good recommendations:

- our PASCH partner - Goethe – Institute (in India known as Max Mueller Bhavan): [www.goethe.de/ins/de/enindex.htm](http://www.goethe.de/ins/de/enindex.htm)
